

Every political ad. Every channel. As it runs.

Kinetiq watches political advertising as it airs — every TV, cable, radio and streaming spot in the country, and the money behind it, captured in nearly real time. It lands on live dashboards: who is on the air, what they spent, what the ads say.

\$40B+ TRACKED ACROSS CYCLES • 1.5M AD AIRINGS PER DAY • 250K+ TV & RADIO ORDERS • 288 STREAMING APPS • ALL 210 MARKETS

ONE CLOCK — EVERYTHING LANDS ON ONE LINE

MINUTES → THE DOLLARS

MINUTES Alerts The catch reaches your phone, tape and transcript on it.	THE MORNING Linear orders TV, cable and radio orders post the morning they're placed.	AS STATIONS POST FCC rates Filed rates land as stations post them.	REAL TIME • EST. Streaming dollars Detection in minutes; estimated dollars — never in the TV total.
